

## Instructions Page

### Purpose

Servicers of MPF Traditional Conventional Mortgage Loans must refer to this exhibit when determining new modified loan terms when evaluating a Borrower for a Conventional Mortgage Loan Modification in accordance with MPF Traditional Servicing Guide Chapter 9.

### Preparation

- **When:** Servicers must refer to this exhibit when determining the applicable loan modification interest rate. The interest rate used to determine the final modification terms must be the same fixed interest rate that was used when determining eligibility for the Trial Period Plan and calculating the Trial Period Plan payment.
- **Who:** This exhibit should be used by an employee of the Servicer who has responsibilities that would cause such individual to be knowledgeable of the facts and processes when evaluating a Borrower for a mortgage loan modification.
- **How:** Servicers must use the current MPF Traditional Loan Modification Interest Rate as indicated in table below when evaluating a Borrower for a conventional mortgage loan modification.
